- and many others

**All donors will get their name/logo put on our banner ad through 2025.
Minimum donation is \$25 for individuals, \$50 for businesses.**

After entering the form, click on the Donate button.

1. Select one of the four donation amounts or enter the amount in the area below those options.
2. You are given the option to donate in memory of someone if so desired.

After you have made your selection or filled in an amount, you will then fill out the area that asks for your information and credit card number.

If you want to display a logo or picture, first fill out this form, then email the logo or picture separately to [nwfmoe@gmail.com](mailto:nwfmoa@gmail.com).

When completed entering your information, click on **Donate**.

Please note: The company making this transaction possible is called Zeffy. They return 100% of your donation to us. No fees to you or us. They do ask for a donation at checkout to support their work but that donation is optional and can range from \$0.00 to anything you would like. **Be sure to change their “extra donation” amount to what you wish to contribute, if anything.**
